

LET'S WALK & ROLL!

Active4.Me is coming to Raymer Elementary School!

Active4.Me is a **FREE** student active transportation program that encourages students to walk or bike to school and earn **COOL PRIZES!**

How Does It Work?

Active4.Me uses a bar code system to track your student's "Active" (walk or bike) trips to school. The Active4.Me barcode tags are attached to your child's book bag and scanned on designated **Walk and Roll Wednesdays** when your child arrives to school. The information is then uploaded to a secure website that you and your child can view to see the total active trips/miles traveled to school, gas money saved and calories burned.

Join the Walk/Run Club Too!

Want to earn more prizes and increase your mileage? Registering automatically signs you up for the Walk/Run Club that will take place a couple days a week in the gym after breakfast. The same barcode key tag will be used to track your students' participation and mileage.

How Do You Register?

Register your Raymer student at the website listed below. If you do not have internet access fill out registration form on the back and return to the school.

Registration Link <https://raymer.active4.me/>

Instant Notification for Parents!

When your students' Active4.Me barcode tag is scanned you will be notified by text, email or phone call that they have arrived to school safely.

And it's all FREE!

WE WILL START WALKING AND ROLLING in January Volunteers are needed!

The more volunteers we have the more days we can scan! Volunteers will greet students on designated morning and scan their barcode tag.

For more information or to volunteer contact Heather Keller, school nurse at hkeller@tps.org or call 419.671.7650.
